Branding, Navigation and Accessibility Checklist

Walaa Ghanduri, UX Designer

Date: 11th of October 2026

This document is a checklist for the developers in the team to check sign-off and provide documentation on the development tasks to meet the branding navigation and accessibility requirements for the course template.

Content:

- Branding
- Navigation

Branding checklist

Implementation	Status	Comments	Name	Date
Logo: add the OAPA logo				
Left navigation panel change the page indicator from blue to black				
Changes the text colour from the secondary navigation from blue to black				
Change every blue button in the platform to black with white writings				
Change the content-type icons from coloured ones to black				
Change the clickable hyperlinks from blue to black				
Replace the blue in the participants page with black				

Navigation checklist

Implementation	Status	Comments	Name	Date
Make the secondary navigation sticky and over the course title				
Remove the 'Activities' tab from secondary navigation				
Add 'Quizzes' and 'Assignments' tabs				
Remove the navigation in the main content page				
Add the 'Next' and 'Previous' buttons that allow for navigations for the next page and previous pages				
The left panel automatically slides left or hides if any other tab other than 'Courses' was open
