Admin Steps

The admin here ONLY include requires setting course creators as participants in the re usable course template as NON teaching teachers role in order to ensure that course creators cannot alter the template while ensuring they have access to that template for it to be able to be re used in other courses

OAPA Admin Handoff

For the hand off from admins, they must first add course makers as non editing teacher role participants in the re usable template course which in this case is “Team 74 - Course Development”. Next access to the template from those said course creators must be confirmed by asking the said course creators and finally it must be confirmed that those course creators can create their own course or have a empty course made for them so that they can do the import
